Insurance Requirement

As a condition precedent to the issuance of a permit authorizing an event, the applicant shall obtain public liability insurance that shall provide "occurrence" coverage against liabilities for death, personal injury, or property damage arising out of, or in any way connected with, such event. Such insurance shall be in the amount of at least \$1,000,000, combined single limit, and shall name the Town of McAdenville, the Town's officers, employees, agents, the Cramerton Police Department and the Town of Cramerton as additional insureds under the coverage afforded. In addition, such insurance shall be primary and noncontributing with respect to any other insurance available to the Town and shall include a severability of interest (cross liability) clause. Proof of such insurance shall be filed with the special event application.

Waiver of Insurance Requirements, Free Speech – The insurance required shall be waived or modified by the Chief of Police for any permit authorizing an event involving an exercise of free speech rights, if it would create an undue burden on such exercise; and

Waiver of Insurance Requirements, Other – Any event application for an event that is not a free speech event must obtain a waiver of this insurance requirement from the Town Manager's office prior to submitting the application for a special event permit.
