TO: Solicitation Permit Applicant

RE: Required Permit to Solicit within Cramerton Town Limits

The Town of Cramerton regulates most forms of solicitation. The Town of Cramerton Code of Ordinances Title XI, Chapter 112 regulates same. A copy of that Ordinance is attached to this letter. Prior to soliciting within the Town of Cramerton, a bond must be executed in favor of the Town and a permit is required to be issued by the Chief of Police.

In addition to the attached ordinance, you will find an application attached for a Solicitation Permit. Please complete the application in full and submit same to the Cramerton Town Hall, Attention: Chief of Police. The bond requirement must be fulfilled with the Town Clerk.

The Department's Code Enforcement Officer will be assigned to investigate the validity of the application. Once the investigation has been completed the Chief of Police will determine if the requirements of the Ordinance have been met and if so, will issued the permit to operate. You will be contacted about your permit within fourteen (14) business days of application submittal.

If you should have questions concerning the application process, please contact the Code Enforcement Officer at 704-824-7964.
